

DENTIST

Dynamic, dedicated, and highly motivated professional, offering 17 years of experience in pediatric dentistry. Possess exceptional patient care background focused on oral hygiene and treatment. Exemplify strong work ethic, positive attitude, and commitment to provide excellent service. Display sincere concern and interest in patient's oral health; with the ability to effectively alleviate fears among pediatric patients during dental procedures.

SUMMARY OF EXPERIENCE

- Render dentistry services, such as cleaning, root canals, extractions, fillings, bridges, crowns, dentures and other oral services in compliance with dental board procedures.
- Perform diagnostic procedures by utilizing dental instruments, such as x-rays, and other diagnostic equipment to assess dental health, diagnose diseases or abnormalities, and plan appropriate treatments.
- Assisted children with their teeth, jaw, and gum problems following pediatric restorative techniques and discussed continuous oral care and hygiene with parents or guardian.
- Promoted oral care to prevent tooth decay in developmental stage among pediatric patients.
