CAREER OVERVIEW

Nursing Practice and Operations

- Leveraged passion and strong interest in the healthcare industry as a result of successful completion of nursing education, preceptorships, externships, as well as outstanding work ethic and unsurpassed dedication to consistently produce remarkable results within the nursing field.
- Functioned as highly effective leader in handling multiple nursing responsibilities, such as management, administrative support, and patient care provision in the neonatal intensive-care unit (NICU) at Fort Walton Beach Medical Center.
- Efficiently took part in rendering quality care to infants, as well as observing key procedures and protocols for numerous situations.

Quality Patient Care | Human Relations

- Established and cultivated positive, working relationships with the management, patients, as well as with people of diverse socio-cultural backgrounds built on trust, communications, and professional approach.
- Initiated a positive reinforcement and motivation to co-workers and institutions that resulted in a harmonious working environment encouraging collaboration and optimizing team performance.
- Closely conferred with all parties for prompt resolution of any healthcare issues, nursing concerns, and emergencies.

Community Outreach Initiatives

- Established volunteerism and commitment across the community, surpassing the ordinary in diverse areas, including academic and nursing fields; as reflected in the following initiatives:
 - Fundraiser for local charities and families in need as part of the National Student Nurses Association (NSNA)
 - Expert provision of small health educational teaching seminars in local elementary schools

RESUMEDS

8888 Alvarado Street, Los Angeles, California 90026 | 234.567.8888 | contact@resumeds.com

- Proactively participated in the recruitment of volunteers and encouraged them to render support with communities' initiatives focusing on healthcare and child services.

Notable Accomplishments:

- ✓ Received the *Employee of the Month* award in December 2010 for demonstrating exemplary customer service aptitude, dependability, consistency, and well-defined communication skills.
- ✓ Earned recognition from the management and colleagues as a dependable go-to-person for all staff concerns; while ensuring the utmost and safe execution of responsibilities to reinforce good safety practices.
- ✓ Contributed strategic insights in successfully scheduling and supervising over 30 employees; expertly training all servers and the host staff on high customer satisfaction; and quickly resolving all conflicts among guests and services at Bonefish Grill.
